

GLOBAL PRIVACY NOTICE

1. Important information and who we are

- 1.1. As a global company, Equiti and its Affiliates¹ (the “**Equiti Group**”) collect, use and share personal information when you use any service that it offers. This global privacy notice has been created to cover how the Equiti Group (“**We**”, “**us**”, “**our**”) collect, use and disclose personal information and is relevant to Equiti Group website visitors and users of Equiti Group's services. The notice describes the types of personal information we collect, the purposes for processing that personal information, the third parties we share your personal information with and the security measures we have implemented to keep your personal data secure. It also sets out the rights and choices of individuals and how to contact us about the information contained in this global privacy notice, wherever you are in the world.
- 1.2. Where any entity within the Equiti Group acts a controller, the controller will be deemed to be the Equiti Group entity listed on the terms and conditions that you enter into when using an Equiti Group service.
- 1.3. This global privacy notice sets out some core content and, where applicable, can be read in conjunction with any supplemental privacy notices as required by country specific law. This is where certain country specific information, such as individuals' rights can be found. In the absence of any country specific information, this privacy notice will apply.
- 1.4. Our global privacy notice, and any associated country-specific privacy notices will be reviewed from time to time to take account of new obligations and technology, changes to our operations and practices and to make sure it remains appropriate to the changing global environment.

2. Data protection principles

The Equiti Group seek to comply with all data protection laws that are applicable around the world. Where possible, we have adopted the core principles set out in the GDPR to inform how we collect and use your personal information. The principles are as follows:

- a) used lawfully, fairly and in a transparent way;
- b) collected only for valid purposes that we have clearly explained to you and not used in any way that is incompatible with those purposes;
- c) relevant to the purposes we have told you about and limited only to those purposes;
- d) accurate and kept up to date;
- e) kept only as long as necessary for the purposes we have told you about; and
- f) kept securely.

3. The kind of personal information we collect and use about you

Personal information or personal data means any information about a living individual from which that person can be identified, even without any linkage to their name. It does not include data where the identity of the individual has been completely and permanently removed (which is called anonymous or anonymised data). The types of personal information we collect include the following categories:

- a) Identity and Profile;
- b) Contact;
- c) Financial;
- d) Usage;
- e) Transaction;

¹ Equiti and its Affiliates are companies that are directly or indirectly owned or controlled by Equiti Group Ltd.

- f) Marketing and Communications; and
- g) Technical.

Examples of these categories are set out in the table below in section 10.

4. How is your personal information collected

We collect information from you where you fill in forms on our website or by corresponding with us by phone, email or otherwise. It includes information you provide when you register to use our website, when you report a problem with our site or when you contact us to discuss any aspect of your account with us. When you visit our website, access our services, engage with our emails and online ads, we may collect information by automated means. For more information on how we collect your data, please refer to the Cookies Policy on our website.

- a) We obtain most of the customer personal information shared with us directly through account applications or other submission forms, and from maintaining records of customer information provided in the course of our ongoing customer service. We may also obtain information from other sources to meet certain regulatory requirements.
- b) On occasion, we will ask for other information voluntarily (for example, through market research, surveys or special financial promotion offers) to enable us to improve our service or consider the wider needs of our customers.

Information we receive from other sources

- c) On occasion, we will collect your personal information indirectly and through a third party. Examples of this include our use of credit reference agencies to perform KYC (client verification) and AML (anti-money laundering) checks.

5. How do we use your personal information

5.1. We will only use your personal information when applicable data protection law permits us to, including by identifying any necessary lawful bases for processing (i.e. a legally permissible reason for processing your personal information).
